Preface

THERE is little to add to the Prefaces to the two earlier Volumes of "Middleton" already issued by our Society (Vols. 12 and 18).

The Volume now printed consists of 99 leaves of parchment and four paper fly-leaves at the beginning of the volume. Each leaf measures $13\frac{1}{2} \times 8\frac{1}{2}$ inches. The leather binding of the Volume is somewhat dilapidated.

1353086

As stated on the Title page of this Volume we owe it to the generosity of our Member Mr W. A. Tonge and his relative Mr Christopher Tonge.

The Rector of Middleton—Rev. W. Stanton Jones—has been most kind in allowing facilities for transcription.

<i>Christenings</i>	<i>pp.</i>	1—97	<i>inclusive.</i>
<i>Marriages</i>	„	98—114	„
<i>Burials</i>	„	115—159	„

Where a name has variants the Head-name has been selected which now exists or which most closely resembles the modern equivalent. All variants are separately Indexed with cross references to the Head-name.

Where a Surname has an *alias* each form of the Surname is Indexed under its initial letter.

The Christian names are, with some few exceptions, Indexed under their modern form—the first spelling of the name having generally been continued in connection with the same Surname.

Illegitimate children are Indexed under the Surnames of both Mother and putative Father.

“N.X.N.” signifies “No Christian Name.”

An Asterisk following a page number signifies that that combination of Christian and Surname occurs more than once on the page number asterisked.

Preface

THE present Volume is a continuation of the Register printed as our Volume 34—the gift of Sir Lees Knowles, Bart., C.V.O., D.L.

The original consists of 58 leaves of parchment bound in Vellum. Each leaf measures 15 inches by 7 inches.

The Volume is in excellent preservation, and the writing in it wonderfully clear.

Our Member, Mr W. A. Tonge, and his relative Mr Christopher Tonge, have borne the entire expense of this Volume, and of the Middleton Volume bound with it.

The Rev. Canon Cooper, M.A., Rector of Prestwich, has again given every facility for transcription of the original.

Christian Names and Surnames.

<i>Baptisms</i>	<i>pp.</i> 1—25 <i>inclusive.</i>
<i>Weddings</i>	" 26—37 "
<i>Burials</i>	" 38—59 "

Where a name has variants the Head-name has been selected which now exists or which most closely resembles the modern equivalent. All variants are separately Indexed with cross references to the Head-name.

Where a Surname has an *alias* each form of the Surname is Indexed under its initial letter.

The Christian names are, with some few exceptions, Indexed under their modern form—the first spelling of the name having generally been continued in connection with the same Surname.

Illegitimate children are Indexed under the Surnames of both Mother and putative Father.

"N.X.N." signifies "No Christian Name."

An Asterisk following a page number signifies that that combination of Christian and Surname occurs more than once on the page number asterisked.
